

# Starting Smart with myEARTHLink

It's the one place to access all your online interests, specifically built for you.

## Discover the benefits of myEarthLink

- ▶ Easy-to-use page simplifies your online experience.
- ▶ Bringing all your interests together saves you time every day.
- ▶ Email preview aggregates messages sent to your EarthLink, AOL, Gmail, and other email accounts—all in one place.
- ▶ Advanced search, powered by Google™ offers fast results you can count on.

## Easy ways to customize your page

Before you can customize the page, you'll need to sign in with your EarthLink email address and password at: [my.earthlink.net](http://my.earthlink.net)

- ▶ **Add, delete, or reorder your Favorites.** Simply "drag and drop" any feature to move it to a new place on the page. Click the *Edit this Page* button to turn features on or off.
- ▶ **Customize content.** Click any of the small *Edit* buttons to customize your news categories, stock quotes, weather, horoscopes, and more.
- ▶ **Add multiple email accounts to My Email.** Click the *edit* button, then the *Add an Email Account* link and enter the email addresses and passwords for your accounts.

## Choose your interests

- ▶ **News:** keep up on local, national, business, tech, and sports news.
- ▶ **Entertainment:** get TV listings, local movie theaters, music, and books.
- ▶ **Shopping:** compare prices, use My eBay, get coupons and deals.
- ▶ **Local:** access local search, local news, weather, and more.
- ▶ **Fun:** get sports scores, horoscopes, games, words, and more.

## See what myEarthLink can do for you

### Web Search, Powered by Google™

Use the Web's most trusted search engine to find what you're looking for fast—globally or right on Main Street.

### Stocks, Weather, Sports & More

Get updated stock prices, current weather and forecasts, sports scores for your favorite teams, and personal reminders.

### Email Preview

See all your newest messages here. One click takes you to your Web Mail for full email access.

### Local News

Get all the latest headlines from your area and stay up-to-date on any other ZIP code you want to add to your profile.
